NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 11, CITY OF AURORA, ADAMS COUNTY, COLORADO:

Section 1. Summary of 2026 Revenues and 2026 Expenditures. That the estimated revenues and expenditures for each fund for fiscal year 2026, as more specifically set forth in the budget attached hereto as Exhibit B and incorporated herein by this reference, are accepted and approved.

Section 2. Adoption of Budget. That the budget as submitted, and if amended, then as amended, and attached hereto as Exhibit B is approved and adopted as the budget of the District for fiscal year 2026. The District's accountant has made a good faith effort and used the best information available at the time of preparation of the budget to provide the District with alternative scenarios, if applicable, showing a proposed budget and mill levies for fiscal year 2026. Due to the significant possibility that the final assessed valuation provided by the Adams County Assessor's Office differs from the preliminary assessed valuation used in the proposed budget, the District's accountant is hereby directed to modify and/or adjust the budget and mill levy certification as needed to reflect the final assessed valuation, and/or any applicable revenue caps or limitations, including making any appropriate temporary property tax credit or temporary mill levy reduction, without the need for additional Board authorization.

Section 3. Appropriations. That the amounts set forth as expenditures and balances remaining, as specifically allocated in the budget attached, are hereby appropriated from the revenue of each fund, to each fund, for the purposes stated and no other.

Section 4. Budget Certification. That the budget shall be certified by the Secretary or an Assistant Secretary, if applicable, of the District, and made a part of the public records of the District and a certified copy of the approved and adopted budget shall be filed with the Division of Local Government.

Section 5. 2026 Levy of General Property Taxes. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the General Fund for operating expenses is \$-0- and that the 2025 valuation for assessment, as certified by the Adams County Assessor, is \$20. That for the purposes of meeting all general operating expenses of the District during the 2026 budget year, there is hereby levied a tax of 0.000 mills

upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2026.

Section 6. 2026 Levy of Debt Retirement Expenses. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the Debt Service Fund for debt retirement expense is \$-0- and that the 2025 valuation for assessment, as certified by the Adams County Assessor, is \$20. That for the purposes of meeting all debt retirement expenses of the District during the 2026 budget year, there is hereby levied a tax of 0.000 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2026.

Section 7. 2026 Mill Levy Adjustment. The Board may adjust the mill levy, as specifically set forth in the District's Service Plan (the "Adjusted Mill Levy"). The Board hereby determines in good faith to establish the Adjusted Mill Levy as set forth in the mill levy certification attached hereto as Exhibit C pursuant to the authority granted by its Service Plan to ensure that the District's revenues shall be neither diminished nor enhanced as a result of the changes affecting the mill levy. Subject to adjustment and finalization by the District's accountant in accordance with Section 2 hereof, the Board further authorizes that the Adjusted Mill Levy be reflected in the District's Certification of Tax Levies to be submitted to the Board of County Commissioners of Adams County on or before December 15, 2025 (or such other date as may be prescribed by law), for collection in 2026.

Section 8. Certification to County Commissioners. That the Board Secretary and/or District's accountant are hereby authorized and directed to immediately certify to the Board of County Commissioners of Adams County, the mill levy for the District hereinabove determined and set and provide such information as required by Section 39-1-125, C.R.S. That said certification shall be in substantially the following form attached hereto as Exhibit C and incorporated herein by this reference.

Notes:

The property tax limit will apply to all property taxing entities with the exception of school districts and any county, city and county, city, or town that has adopted a home rule charter (29-1-306(1)(b), C.R.S.). The revenue limit applies to any property taxing entities that have authority to exceed current 5.5% and the TABOR limit.

The Division of Local Government ("the Division") has developed technical assistance resources to assist taxing entities with the calculation of the property tax limit available online here (<https://dlg.colorado.gov/budget-information-and-resources>). Please understand that the Division has no statutory or administrative role in calculating or enforcing the property tax limit, and each taxing entity's revenue limits and voter approval history may be unique. The technical assistance resources provided by the Division with regard to the property tax limit are not definitive and not legal advice. Taxing entities may choose to calculate the property tax limit with a methodology that is different from the methodology presented in the Division's technical assistance resources. The Division always recommends that taxing entities consult with an attorney in order to understand and apply the various statutory and constitutional revenue limits that may apply to that taxing entity.
